History of Stephen Perse

The Perse Girls School, founded in 1881, evolved into the Stephen Perse Foundation in 2007, and first admitted boys to its Senior School in 2017. Stephen Perse has grown over recent years, adding a co-educational sixth form to its highly successful Senior School in 2008, and four nurseries and early years settings (three in Cambridge and one at Dame Bradbury's in Saffron Walden) between 2010 and 2021. Stephen Perse has been fully co-educational in all settings since 2017 and now comprises four nurseries, two junior schools, a senior school and sixth form.

Predominantly a day school, there are currently 60 (mainly sixth form) boarders. As well as its reputation for academic excellence, Stephen Perse is renowned for an innovative approach to education, and a focus on preparing students for the future.

Our Mission Statement

At Stephen Perse, our mission is to educate and inspire the contributors to tomorrow's world: intelligent young people with the creativity, compassion, confidence and conviction to question, evaluate and improve society.

Our Vision Statement

To deliver this mission, our vision is to create and sustain an outstanding educational environment that:

- Fosters modern scholarship through exceptional teaching and a dynamic, flexible and rigorous academic curriculum.
- Provides outstanding breadth of opportunity and quality of experience through a rich and varied co-curriculum.
- Nurtures and celebrates individuality, wellbeing, personal development, and contribution to the growth of others, through superb pastoral care, social and emotional education, and learning support.
- Champions and models equality, diversity and inclusivity, and social and environmental responsibility with a global outlook.

Our Values Statement

With excellence and creativity in teaching and learning at the core of each of our schools and nurseries, we value the positive difference our students can make in the world through:

- Scholarship and the advancement of knowledge and understanding.
- Kindness, courtesy, inclusivity and collaboration.
- Diligence, independence and self-reliance.
- Humility, reflectiveness and the pursuit of self-improvement.
- Character, individuality, wellbeing and confidence.
- Conserving the environment and living sustainably.

Welcome from the Principal

Richard Girvan

Stephen Perse is a leader in modern independent education, superbly well placed, both to meet the challenges, and to seize the opportunities, presented by its future.

Any school, indeed, any group of schools, is only as strong as its people. Stephen Perse boasts exceptional people across all of its schools and nurseries, and invests in their recruitment, development and empowerment to ensure our pupils benefit from excellent role models, outstanding support and exceptional teaching. As Principal, I consider this investment in our people to be of utmost importance.

At Stephen Perse, all are united in embracing the modern world and in seeking to help our pupils to find and take their place in it, as confident, socially responsible adults. We seek to attract people who are inspired by this challenge, people who share our values, people who are passionate about our collective vision of developing the change-makers of the future.

Richard Girvan

Principal

Teacher of Mathematics (part-time) JD & PS

Responsible to: Head of Mathematics and Computing Faculty

Location: Stephen Perse Cambridge Senior School and Sixth Form

Role Description

The Mathematics Department is the largest in the school, with a significant proportion of students going on to study Mathematics or Further Mathematics A Level. The department follows the Edexcel GCSE specification and the OCR A Level Mathematics and Further Mathematics A Level specification, and also prepares students in the top sets in Y10 and Y11 for the OCR Additional Mathematics qualification.

We will consider those looking for a part-time role, and to commence in either September 2025 or January 2026.

Your Role as a Teacher

At Stephen Perse everyone is a learner. While our pupils enjoy the benefits of a creative and innovative learning environment, our teachers strive to inspire and engage through using a wide range of pedagogical approaches.

We want every teacher to offer the very best in teaching and learning to our students and this will inevitably, and perhaps even increasingly, involve the

digital world. We are iPad 1-to-1 from 11 to 18 and our Junior Schools use class sets. We are a leader in the use of digital technology within the classroom. This helps us to support our teachers and learners to have an appropriate use of these technologies.

We don't need you to be a fluent or confident user of technology before you start working with us, but we will want you to have an agile and ambitious mind-set that is open to adopting new techniques. Training and support are offered on a regular basis as part of formal and informal CPD and is focused on student learning.

Main Responsibilities
